How many of the 34 words did you know or recognize? ____/34

- 14 words = beginner (you need to study [Quizlet](#) for these words)
- 15-27= intermediate (you are progressing)
- 28-34= Advanced (this joke was easy for you, you might be ready for a higher level)

Act. 2: Go to Quizlet.com and practice the words till you are familiar with most of them! Here is the Link!

Hint: break the 34 words into small chunks and practice those words till you are good with them. I would suggest you divide the lesson into groups:

0-11

12-22

23-34

When you are good with these, put the words at random and try the entire list.

Act. 3: We will use mnemonic devices or memory tricks to learn these 32 words!
