How many of the 30 words did you know or recognize? ____/30

0- 12 words = beginner (you need to study Quizlet for these words)

13-24= intermediate (you are progressing)

25-30= Advanced (this joke was easy for you; you are ready to read the jokes!)

Act. 3: Go to Quizlet.com and practice the words till you are familiar with most of them! Here is the Link!

<https://quizlet.com/970126079/spanish-vocabulary-common-verbs-and-nouns-flash-cards/?i=56nb7s&x=1jqt>

Hint: break the 30 words into small chunks and practice those words till you are good with them. I would suggest you divide the lesson into groups:

1-10

11-20

21-30

Do each chunk until you can do all the words perfectly in 30 seconds. When you are good with the first chunk, go on to the next chunk. Remember there are games and other activities to practice these words on Quizlet!

Act. 4: We will practice these words using Mnemonic Devices or Memory tricks! See how many of these words you will learn just by writing them down!
